If you are a permanent green card holder we can assist you to file your request for the US citizenship to the USCIS. We can take care and prepare the whole application from A to Z for you. Many permanent residents have their green card for many years and they do not even realize that they could have filed their US citizenship request long time ago. The process to become a US citizen takes from 3 to 4 months. It make sense to become a US citizen as soon as possible, because this way the person can vote etc., but most importantly file a petition for a relative for the green card. Please send us the the documents/data listed bellow including a filled out data table with a \$300 money order filled out for Pataki Center.

Documents needed from you (only copies please !):

- permanent green card
- birth certificate
- driver license
- SSN card
- current marriage certificate (if you are married)
- all of his children names and their date of birth
- all previous divorce documents (date of divorce, place of divorce)
- all previous marriages (date and place of marriage, spouse name, spouse date of birth)
- dates, and time period of staying out of the USA since you become resident (also the country you visited)
- 2 passport size photos of yourself
- point of contact: address, phone number, email address

Send us all the above mentioned and we do all the paperwork from A to Z. If you have any question or concern let us know please.
