We can assist you with the removing of condition on your temporary green card and request a permanent one. The USCIS will send you in three months via mail the permanent one (valid for ten years), no second interview will take place ! We can take care and prepare for you the whole application from A to Z. Three months before your temporary green card expires please send us the following documents (only copies please !) with a \$200 money order filled out for Pataki Center.

Documents needed from you (only copies please !):

- temporary green card
- marriage certificate
- passport
- SSN card
- state driver license or state ID
- 2 passport size photos of you
- point of contact: address, phone number, email address

Documents needed from your US citizen spouse (only copies please !):

- SSN card
- state driver license or state ID
- point of contact: address, phone number

As soon as we have your mail we call you to confirm it, and take it from there. If you have any question or concern let us know please.
